

DEMOCRATS SUGGEST

Names of Suitable Persons to be Nominated for Council.

LOTS OF MATERIAL IS AFFORDED

In the Lists Made Up at Last Night's Gatherings in the Various Wards. A Very Creditable Turnout Shows Interest in the Coming Contest--Reports from All the Meetings.

The Democratic suggestion meetings in the various wards last night were pretty well attended, and the spirit shown indicates considerable public interest in the city election, to be held the fourth Thursday of January.

In each ward enough names were certainly mentioned to enable the party to get a good ticket. In some of the wards the list is so long that it would be a very particular man who could not find councilmanic material therein to suit him.

FIRST WARD.

In the First ward Executive Committee Ed Costello called the meeting to order, and City Solicitor Riley was made chairman and Tom Kelly secretary.

For the First Branch Alfred Paul, John A. Elbert and William Carenbauer were named, and for the Second, Eugene Deiters, Charles Benter, F. D. Frederick, J. Howard McDonald, John J. Kenny, Charles W. Cunningham, Louis Zwickler, Dennis O'Leary, John Nolte, F. Niester, Henry Voellinger, John H. Fenit, Jacob Korn and Jerry Myles.

For executive committee Ed Costello, the present incumbent, was the only person suggested.

SECOND WARD.

In the Second ward only one name was mentioned for the first branch, that being Joseph Emsheimer. For the second branch the following named gentlemen were put on the little list: W. A. Welty, A. G. Hadlich, W. S. Berisford, C. W. Rixie, Henry Nan, George Arkle, F. P. Jepson, Ed. Feinler and H. E. Weisberger. For the executive committee A. G. Hadlich was re-nominated, and Charles Vierheller, Thomas M. Fee and Daniel Crymble also named.

THIRD WARD.

Mr. W. T. English, city committee-man, called the Third ward meeting to order, and named Peter Delaplaine as chairman. L. S. Delaplaine, Jr., was made secretary.

For the first branch Mr. Julius Pollock was the only suggestion. For the second John J. Cavanaugh, Allen Brock, Robert Schumann, August Rolf, John M. Birch, William Ellinghaus, R. H. Gillespie, John Arthur, Jr., G. W. Merchant, Jr., and Henry Robrecht were nominated, and for executive committee W. T. English only.

FOURTH WARD.

In the Fourth ward John F. Heil presided and James T. Gray was secretary, the meeting being called to order by Committee-man Charles B. Reilly. The following suggestions were made: First branch, James T. Gray and Peter F. Farrell.

Second branch, Edward Robertson, Peter Hoe, P. L. Kimberly, Patrick Fitzsimmons, Frank Smith, H. W. Stoehr, P. Z. Noble, John Britt and John Craft.

For executive committee, Charles B. Reilly.

FIFTH WARD.

In the Fifth D. V. Hughes, committee-man, called the assembly to order, and M. B. Bailey was chairman and R. C. Darrah secretary. The suggestions for the first branch were Charles Menkemiller, Andrew Hamilton, M. B. Bailey and Edward Wagner.

For the second James A. Filan, Bernard Bach, August Warneke, John Snyder, T. F. Porter, W. O. Odbert, H. D. Rumble, John Waterhouse and T. W. Simpson were named, and D. V. Hughes for executive committee-man.

SIXTH WARD.

The Sixth ward named W. W. Irwin unanimously for the first branch, and for the second the following list was made up: J. P. O'Malley, John T. Crogan, Thomas Burke, J. W. Kemple, J. C. Stroble, E. W. Holliday, T. W. Weitzel, E. H. Elder, Frank Gruse, C. W. Kreiter, Louis Baumann, Thomas Killeen, M. P. Ryan and John Mullerkey. For the new committee John A. Weisgerber was named.

C. W. Kreiter called it to order. W. W. Irwin was chairman and Fred Woerber secretary.

SEVENTH WARD.

J. S. Naylor was chairman and I. W. Imhoff chairman of the Seventh ward meeting, which was called to order by I. R. Moise. Dr. E. C. Myers and F. E. McCoy were named for the first branch, and for the second J. A. Wood, Ed. Grosscurth, Grafton Beal, J. B. Taney, George Kress, Phil McGuire, E. B. Bowie. For committee-man, I. R. Moise.

EIGHTH WARD.

In the Eighth ward John Minkemyer, R. V. Arkle, Charles Rohrig and W. Staib were named for the first branch, and Daniel Hartman, William Rose, Frank Heller, William Moenkemiller and Ellic Kuezewski for the second. William Lantry was named for executive committee-man.

A Watch Stolen.

Night before last a watch belonging to Dr. Inskeep, one of the proprietors of the Hotel Windsor, was stolen from the hotel. A colored man discharged from the hotel some time ago had been seen about there, and yesterday Mr. Inskeep, the other partner in the firm, came here looking for the man. He was found by the police, but as he did not have the watch and there was no evidence against him, he was not prosecuted.

A Daring Robbery.

Shortly after midnight this morning at the Wharton house, on Market street near Eleventh, a man, name unknown, was unfortunate enough to have his coat and shoes taken off him while asleep. The daring thief has not been captured this morning.

What They Are Good For.

BRANDRETH'S PILLS are the best medicine known.

First--They are purely vegetable, in fact a medicated food.

Second--The same dose always produces the same effect--other purgatives require increased doses and finally cease acting.

Third--They purify the blood.

Fourth--The invigorate the digestion and cleanse the stomach and bowels.

Fifth--They stimulate the liver and carry off vitiated bile and other depraved secretions.

The first two or three doses tell the story. The skin becomes clear, the eye bright, the mind active, digestion is restored, costiveness cured, the animal vigor is recruited and all decay arrested.

BRANDRETH'S PILLS are sold in every drug and medicine store, either plain or sugar coated.

THE SUPREME COURT

Takes a Hand in the Recent Proceedings in Ohio County.

WRITS OF PROHIBITION ISSUED

To Offset Judge Campbell's Mandamus--The Question is, What Will the Effect be?--The County Canvassers Will Finish the Recount To-day in All Probability.

The board of county commissioners will reassemble to-day as a canvassing board, to finish the recount of the votes cast in Ohio county November 8. It is probable that the recount will be completed to-day. An interesting feature of it will be the count on commissioner from Liberty district. Daniel Maxwell, Republican, beat Leroy Alexander, Democrat, by less than a half a dozen votes. Mr. Alexander asked a recount. The canvassing board is Democratic. Judging the future by the past, Mr. Maxwell will be counted out.

The following is one of two orders sent to the circuit court from Charleston yesterday.

State of West Virginia, to-wit:

At a supreme court of appeals held in Charleston, in Kanawha county, on the 3d day of December, 1892.

This day came the board of canvassers of Ohio county, Frank Gruse, William J. Bates, Jr., John H. Hall, Luther Blayney, Philip Voellinger, James Mettley and John Koch, by Alfred Caldwell, esq., their attorney, and prepared a petition verified by an affidavit of said Alfred Caldwell, praying that a writ of prohibition be awarded, directed to the Honorable John A. Campbell, one of the judges of the circuit court of Ohio county, prohibiting him from proceeding further in a mandamus proceeding instituted on the 29th day of November, 1892, upon petition of S. G. Smith, and from interfering with the counting by said board of canvassers of thirteen ballots in the petition of said S. G. Smith, mentioned and described, or any of the said ballots; or with the recount by said board of canvassers of the votes cast in Ohio county for members of the house of delegates at the general election, held in said county on the 8th day of November, 1892, and the certifying by it of the result of said election for members of the house of delegates. A duly certified transcript of the record of the orders made in said mandamus proceeding accompanied the petition, marked exhibit A; which, being seen and inspected by the court, it is hereby ordered that a rule do issue, directed to the Honorable John A. Campbell, one of the judges of the circuit court of Ohio county, returnable in court at Charleston, in Kanawha county, on the 13th day of January, 1893, requiring him to show why the writ of prohibition prayed for should not issue. It is therefore further ordered that service of an attested copy of the order shall be considered service of the rule aforesaid, and that during the pendency of the said rule all further proceedings by the said judge of the circuit court of Ohio county in the matter of the mandamus mentioned and referred to be stayed.

A copy from the record, O. S. LONG, Clerk.

The other order is verbatim with this, except that it refers to the other mandamus issued by Judge Campbell.

Under these orders the recount will probably be completed to-day. Judge Campbell's orders being ignored. Lawyers, say, however, that the action of the supreme court of appeals does not relieve the canvassing board from liability for contempt of the circuit court if Judge Campbell's action is finally sustained, so that the situation is interesting in the extreme--or at least is liable to become so hereafter.
